Arbroath During 1922.

It is wonderful when one comes to think of it that there is never a year comes to an end but there is some outstanding event that has occurred in its passage, which marks it in some way for all time. The day of days which stands out as most memorable in 1922 is that upon which the Burgh War Memorial was unveiled, when occasion was taken to honour the most distinguished son of Arbroath who was present to perform the unveiling ceremony, the Right Hon. Lord Inchcape, G.C.M.G., etc. June 3rd, 1922, will stand out in the memories of all who took any part in it, whether as participant or spectator, as one of the most impressive in the history of our old town. The proceedings throughout were marked by a dignity and quiet enthusiasm which were quite in accord with the circumstances, and Lord Inchcape's congratulatory message forwarded to the Provost upon his Lordship's return to London after the ceremonies reflected the feelings of every member of the community in regard to the great day.

Unveiling of War Memorial.

The proposal to link the unveiling ceremony with the presentation of the freedom of the Burgh to Lord Inchcape was very warmly received in the community, and an atmosphere of homeliness and friendliness in keeping with the welcome home of distinguished Arbroathians characterised every item in the

day's programme. The ceremony of presentation of the Freedom of the Royal Burgh to Lord Inchcape took place in the Webster Memorial Hall at noon in presence of a distinguished platform party and a hall filled with representative citizens to its utmost capacity. The Provost presided and presented the parchment conferring the freedom of the Burgh in which both Lord and Lady Inchcape first saw the light upon our distinguished townsman. Lord Inchcape's acceptance and reply were a model of pawky reminiscence and sterling common sense allied to which was shown a knowledge of the great issues of the big world of politics and commerce which profoundly impressed his hearers. Lord Inchcape's gospel of hard work preached and acted upon with such conspicuous success in his own life will be kept in remembrance for many a day. The climax of his Lordship's speech came with the magnificent offer with which he drew it to a close. This took the form of a gift to the town of a sum of £20,000 to be held in trust by the Town Council, and devoted to the assistance of the widows and dependants of Arbroathians who had gone down to the sea in ships. The gift came as a profound surprise to all, including the Provost and Magistrates, and the Provost could only, as he expressed it, very inadequately voice the gratitude of the community for his Lordship's magnificent gift. Fund, which is to be known as the Inchcape Fund has already been set in operation, and the first participants to the number of 50 have received their first instalment.

The ceremony of unveiling the Burgh War Memorial, which after considerable delay was completed in time for the date above-mentioned, took place in the afternoon in presence of a huge crowd of town-folk and others interested. Lord Inchcape was accompanied by Lady Inchcape and their daughter the Hon. Mrs Wyndham and others on the platform erected round the Memorial included the Provost, the Earl of Strathmore, Lord Lieutenant of the County, Mrs A. C. Anderson; the Rev. J. A. Tweedie, the Rev. R. Smith Macintosh, the Rev. J. Spence Cuthill, the Rev. James Cameron. The short address delivered by Lord Inchcape after the Memorial was unveiled and dedicated was, by his Lordship's thoughtful kindness, printed in pamphlet form and circulated amongst those present with the result that everyone in the crowd could follow intelligently his Lordship's remarks.

The War Memorial is a handsome and dignified structure and since its erection has been regarded with warm appreciation by visitors and townsfolk alike.

Matters Municipal.

Within the Council Chamber affairs during the year under Provost Anderson's tactful guidance have moved quietly and efficiently through a period necessarily difficult and often discouraging.

Though occurring towards the end of the year it is not out of place at this stage to refer to Provost Anderson's re-election to the Chief Magistrate's chair at the conclusion of his first term of three years. In response to the unanimous request of his fellow councillors the Provost allowed himself to be again nominated for the honourable and onerous position provided his constituents in the Third Ward again elected him as their representative. This they did in no uncertain way by returning him at the top of the poll by a large majority, and it is safe to say that their practical expression of appreciation of the Provost's good work for the town is shared by every citizen in the community.

As a result of the November election there was only one change in the personnel of the Council, this occurring in the third ward when Mr J. S. Matthews was elected in room of Mr John Duncan (since deceased), who retired after the long period of 30 years' service on the Town Council. In the First Ward the three retiring members, viz., Messrs W. J. Anckorn, Robert M. Kinnear and Harry Corsar were all re-elected, the unsuccessful candidate being Mr Wm. Milne. In the Second Ward Messrs W. M. Soutar and A. King were returned unopposed. In the Third Ward as stated, Provost A. C. Anderson and Mr J. S. Matthews were elected, the unsuccessful candidate being Mr F. Irons. At the first meeting of the newly-elected Council, ex-Bailie A. M'L. Robertson was appointed hon.

treasurer in succession to ex-Bailie Duncan.

Other Changes.

In January the new Dean of Guild, Mr D. R. Macdonald was welcomed, his appearance in his new office having been delayed by a serious illness. In August Councillor James Campbell resigned his seat at the Council owing to the state of his health, and in his place Mr W. J. Auckern was appointed interim representative of the First Ward.

A glance back over the municipal record of the past year reveals little of outstanding note, apart from steady pursuance of the policy of making good the work deferred during the war years while at the same time practising the best economy in the interests of the ratepayers. In this direction streets and roads have been a big question, and necessarily big sums have been expended on the re-laying of Brothock Bridge with tar-mac on up-to-date lines, the improvement of Dens Road and other points where repairs were most urgently required. Naturally these improvements involved heavy expenditure, and only the most necessary repairs will have to be undertaken if the overburdened ratepayers are not to be given a load above a burden. In connection with the question of street maintenance the Town Council undertook the work on behalf of the contractors of reinstating the roads in the Burgh cut up by the laying of underground telegraph lines. There was some feeling in the Council

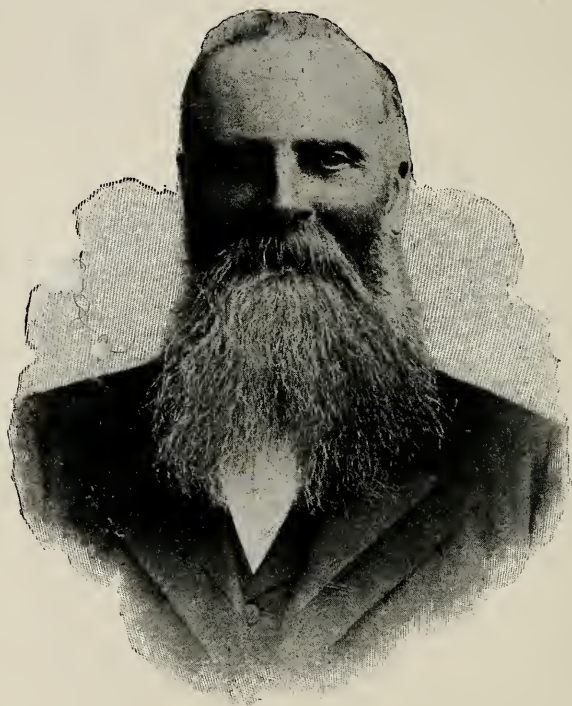

that this was carried out not altogether to the advantage of the community.

The Call for Tennis Courts.

Although on the face of it the question of public tennis courts may not seem one of vast importance, it really became a plank in the election platform in November, after being discussed on several occasions during the year. Convener W. M. Soutar early in the year put forward a strong appeal for the erection of public tennis courts as a necessary amenity to a well-ordered summer visitor resort as well as a health asset to the townsfolk and a paying proposition for the ratepayers. Councillor Soutar received support within the Council, and when the matter was brought before the electors in November the popular opinion seemed to be also strongly in favour of the erection of public tennis courts either at the Common or on part of the community's ground at Brechin and Montrose Road secured for the new housing scheme. The success which has attended the putting green at the West Links was no doubt a factor in securing favourable consideration of the proposal. At the last meeting of the Town Council for the year, however, it was decided after considerable discussion to delay the laying out of public tennis courts in the meantime, owing to the high prices still ruling for labour.

Reduction in Price of Gas.

In May the Gas Committee of the

Ex-Provost Grant.

Upon whom the Town Council decided to confer the Freedom of
the Burgh.

Town Council were in the happy position of being able to recommend a reduction in the price of gas to consumers by 5d per 1000 cubic ft. —3/9 in place of 4/2 last year. The reduction is a proof if such were required that the town's gas undertaking is being carried on with the utmost efficiency in all its branches in spite of the trying industrial conditions which affect not only the raw material and upkeep of the works but the sale of residual products as well. In this connection it might be mentioned that the coal strike cost Arbroath Gas Works no less a sum than £6,500.

The Rates.

The municipal rates also show a decrease, the current year's municipal assessments being fixed at 8/8 on owners in place of last year's 9/2; and 5/7 on occupiers in place of last year's 6/-.

Valuation of the Burgh.

There is little difference in the valuation of the Burgh, the figures being as follows:—Lands, etc., £119,839 5s, as against last year's £119,677 10s; railways, £2,499 as compared with £2,046 last year; total this year—£122,338 5/-; last year—£122,323 232; showing an increase of £14 15s.

Parochial Interests.

The Parish Council has claimed more than its usual share of attention during the year on account of two most important matters that have affected it. Most important has been the question of payment of outdoor relief arising out of the

great amount of unemployment that has existed without intermission during the year. The sum expended in Arbroath weekly is very large, and it is not to be wondered that the feeling against this heavy charge upon local rates is very strong in the Council as well as in the community.

The other question that has been under discussion at more than one meeting is that of the disposition of the Poorhouse. It was put forward as an economical suggestion that the inmates being comparatively few in number, these might be absorbed in some other similar institution, where their upkeep would cost less than at Brechin Road, and the big building sold to advantage or devoted to some purpose more economical to the rate-payers than at present. Latest enquiries however have led the Council to continue the present arrangement.

There have been fewer changes in the membership of the Parish Council than during the past few years. Mr C. Y. Myles' appointment in room of ex-Bailie Duncan, chairman of the Parish Council since its institution, revived an interesting connection with the new member's family, his father, the late C. Y. Myles having been a member of the Council for many years. Other changes in membership were the election of Mr J. S. Matthews in room of Mr R. P. Toye, resigned which took place in August, and the return of the triennial election in November of Mr J. C. Crowe, in

Councillor R. Kinnear.

room of Mr David Fairweather, retired.

Poor and School Rates.

The Poor Rate has been doubled during the current year, the rate being fixed at the July meeting as follows:— $1\frac{1}{2}$ on owners, and $1\frac{1}{3}$ on occupiers, a total of $2\frac{2}{5}$ in the £1, compared with $1\frac{1}{2}$ last year. The reduction of the education rate has fortunately to be set against this big increase. The education rate was fixed at 9d on owners, and $9\frac{1}{2}$ d on occupiers, a total of $1\frac{1}{6}\frac{1}{2}$ in the £1 as against $2\frac{1}{4}\frac{1}{2}$ d last year. The result is that while the poor rate was increased by $1\frac{1}{3}$ in the £1, there is only really a difference of fivepence, owing to the reduction in the education rate. The burgh rates being down to the extent of sixpence in the £1, the net result is that the rates are a penny less in the £1 compared with last year.

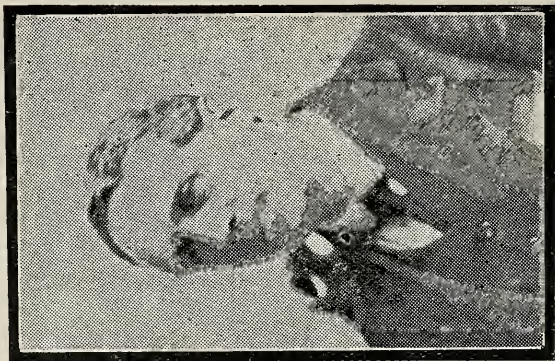

Educational Administration.

From the public point of view interest in educational concerns has certainly not been increased since the passing of the new Education Act rang the death knell of the School Board. The first term of the existence of the County Education Authority having come to an end the triennial election took place in April when the following members were elected from the Arbroath Second Electoral Division:—Rev. G. Hitchcock; Mr D. Littlejohn, Rev. Wm. M'Currach; Mr George Reid; Mr James P. Reid, and Rev. J. A. Tweedie. The Rev. George Hitchcock was appointed chairman of the Authority.

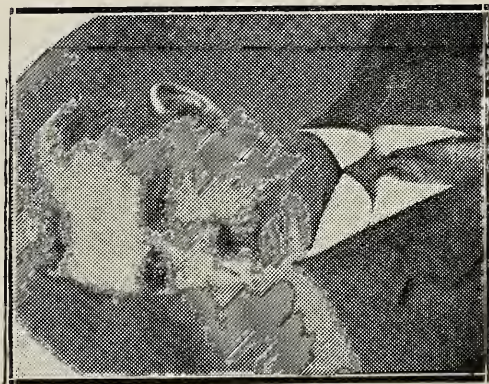

There was a comparatively small

poll and little interest was displayed either with regard to the election of the Authority or of the local School Management Committee which ensued. The latter Committee as reconstituted after the Authority's election consisted of the following:—From the Educational Authority—Rev. G. Hitchcock, Mr D. Littlejohn, Mr G. Reid (since deceased), Mr J. P. Reid, Rev. W. M'Currach, Rev. John A. Tweedie; from the teachers—Rector Drysdale, Mr R. Irvine, and Mr W. F. Anderson; from the parents—Mr J. S. Edwards, Mr D. Dowell, Mr R. Smith; from the Town Council—Mr Arthur King; from the Parish Council—Mr W. J. Anckorn. Upon the death of Mr George Reid, Mr J. S. Edwards was appointed to fill the vacancy on the Authority, and Mr E. Spink was elected a parents' representative in lieu of Mr Edwards. Mr D. Littlejohn was elected chairman of the School Management Committee.

It can hardly be expected that either the Authority or the local School Management Committee can have more than passed through the experimental stages yet, and even urgent questions affecting the education of the children and young people have perforce had to be met to a great extent by the adoption of temporary measures. In February the question of the accommodation for the Supplementary Department came up for discussion and though the matter was taken into consideration both at the Authority and at the Committee's meetings it was found impossible in present circumstances to achieve anything of a de-

Councillor W. M. Soutar.

Councillor Arthur King.

finite character. Another item which may be said to be still engaging the attention of the Authority is the staffing of the schools. In the interests of economy, both as regards accommodation and staffing there is a proposal to reduce the teaching staffs, and with this in view an exhaustive enquiry was made into the numbers in the classes in the various schools. This matter came up at almost the end of the previous Authority's term of office and is one of the questions with which the present body must soon deal.

The effect of unemployment has also had its effect upon educational affairs. The Committee early in the year felt themselves compelled to undertake the provision of boots for necessitous children and towards this object they received handsome contributions from several sources, notably a sum of £50, the proceeds of a military whist drive organised by Mrs Guild, and of over £18, half the proceeds of a variety entertainment given in Olympia in aid of the Boot Fund and the Soup Kitchen.

The Political Upheaval.

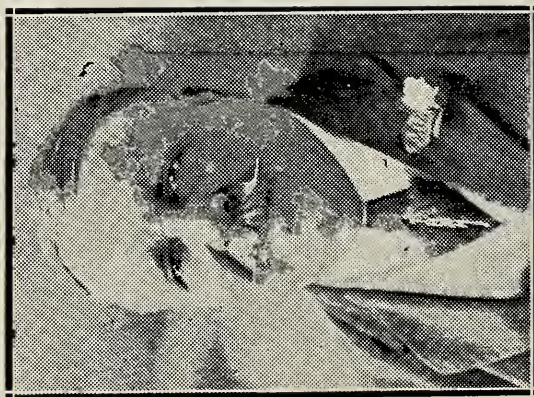

In looking back over the year that is gone, an event of outstanding importance to the town as to the whole country was the fall of the Coalition Government which occurred in the end of October. The possibility of a General Election had been apparent for many months, and in the Liberal, Coalition and Labour camps the actual event found all ranks ready to undertake the duties that fell to them. Early in the year the dissatisfaction felt

by a section of the Liberals in the constituency led to a break away from the parent society on the part of several of the more independent members of the Association and under the presidency of Sir Francis Welster, a new Association was formed. When the General Election took place the party representing the Independent wing of the Liberals resolved also to run a candidate and the fight in the Montrose Burghs opened as a three-cornered contest, with Mr P. A. Molteno, formerly M.P. for Dumfriesshire, as Independent Liberal candidate; Mr J. Leng Sturrock, the sitting member as Coalition Liberal and Mr John Carnegie, Barry, as Labour candidate. At the very opening of the campaign unfortunately, Mr Leng Sturrock was seized with serious illness, and in view of the untoward event, and the fact that the Labour supporters adopted a somewhat aggressively hostile attitude to the new candidate, Mr Molteno decided to withdraw from the contest, and only one meeting was addressed by him in the constituency. The impression created by Mr Molteno upon those other than avowed Socialists was most favourable, and though some disappointment was felt at his withdrawal it was recognised that his action towards the other Liberal candidate was altogether praiseworthy. The election took place on Wednesday, November 13th, and the following day the result was declared as follows:—

J. Leng Sturrock (N.L.),	8407
John Carnegie (Lab.),	7044

Ex-Bailie Robertson,

Councillor J. S. Matthews.

At the election in 1918 the figures were:—J. Leng Sturrock (Co. L.), 9309; H. N. Brailsford (Lab.), 2940.

Mr Leng Sturrock, M.P., was fortunately sufficiently recovered to take his seat in Parliament very shortly after the opening, when he received a very warm welcome back to the House. During the Christmas recess, the new member addressed a crowded meeting in the Good Templar Hall, Arbroath, when he was somewhat severely heckled by Socialist representatives at the close of an address in which he made his position with regard to the past and present Government abundantly clear.

During the year though Mr Leng Sturrock was not able to address his Arbroath constituents, he proved himself a most attentive member with regard to local questions of all degrees of importance. Through the medium of the "Herald" Mr Sturrock also frequently gave expression to his views on subjects of national importance.

The Industrial Conditions.

The aftermath of war in the shape of unemployment has hung like a dark cloud over the year that has gone, and not one of Arbroath's industries but has felt the baleful effects of the trade depression that meantime lies upon the country. The question of unemployment has been constantly kept in view in discussions at such public boards as Town Council, Parish Council, School Committee, Chamber of Commerce, and in so far as local remedial measures could be adopted these have been carefully con-

sidered, though it is strongly held by all these public bodies, statutory and otherwise, that the charging of relief works upon municipal rates is not in the public interest, and that any attempt to provide work for unemployed should be paid for out of the national exchequer. This no doubt has been the means of deterring the municipal authorities from embarking upon relief schemes upon their own initiative.

The appeal for funds and donations in kind for the carrying on of a public soup kitchen, put forward at the close of last year was so generously responded to that this practical means of helping unemployed households was carried on until the month of May, when the question of instituting relief work for unemployed was up for consideration.

A serious addition to the existing depressed industrial condition of the town was made by the lock-out of engineers which took place at the middle of March and continued till the end of May. A fancy dress parade to raise a fund for the benefit of the workers affected by the lock-out was held on Saturday, 6th May, when the handsome sum of £35 was realised.

In the building trades, high costs still stand in the way of extensions in any but the most necessary directions, and though there have been carried out some improvements on business premises there has been little evidence of anything like a return to pre-war activity. The housing scheme at Brechin Road is completed so far as the present arrangements go, and anything that has occupied the workers in the trades concerned has been

Councillor W. J. Anckorn.

largely in the nature of necessary repairs, and improvements that have lain in abeyance during the years of war.

A notable feature in the business part of the town is the fact that almost without exception every shop large and small has now had installed electric light. Owing to the depression in trade in the town the demand for current for power purposes has been small during the year. Fortunately, however, the smaller users have been increasing steadily. At the Electric Station output has been about $1\frac{1}{3}$ million units as compared with $1\frac{1}{2}$ million units last year. The supply for domestic purposes has increased considerably. When the Coy. are busy about 9/10ths of the output is used as power in the factories and the drop in trade naturally affects the Coy. very severely.

The plant at the works is running pretty full loaded and any revival in trade will make an increase in the machinery already installed necessary.

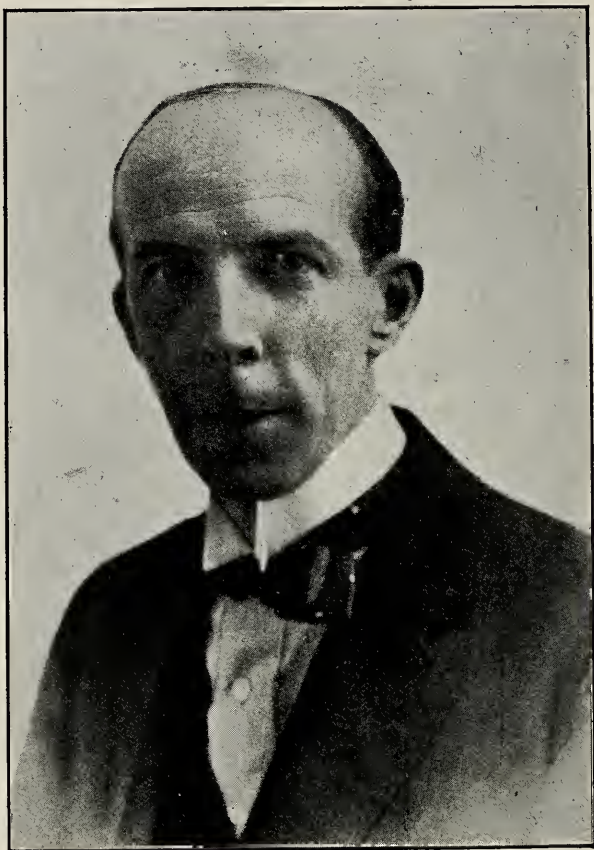

During the year a small squad of men have been kept busy renewing service cables.

The Infirmary.

The fine institution at Rosemount Road continues its beneficent work, well supported by public interest and money, and widely taken advantage of by all classes of sufferers in the community. Early in the year the Directors had the offer of £2500 from the Red Cross Society, the funds remaining from war-time donations, which sum was accepted towards the maintenance of a resident surgeon in the Institution.

In September Dr D. Cameron Clark, M.B., Ch.B., was appointed to fill this position. The claims of the Infirmary upon the practical support of the community has had abundant proof during the year. The auxiliary committee has justified its existence in being the means of securing valuable financial assistance through entertainments in the town and district, several of which have been most successfully carried through. By a concert at Carmyllie and Chapelton a sum of £35 was realised, thus showing the willingness of country folks to show their appreciation of a helpful institution whose work does not stop short within the town in which it is located. A laudable effort on the part of the Plholders' Association by means of a Free Gift Sale realised over £74 for the Institution and two sports meetings held at Gayfield in July raised the handsome sum of £60.

The gift to the town of the fine residence, Greenbank, by Mr Renny of Dundee, to be used for such purpose as the Town Council saw fit led to the suggestion that it might be adapted as Nurses' Home in connection with the Infirmary. The proposal was not found practicable, and eventually the donor was approached with the request that he would allow the Town Council to dispose of the property, and apply the proceeds towards a fund for the construction of a nurses' home. This Mr Renny cordially agreed to, only stipulating that a bed in the Infirmary might bear his name. The property was sold in March for the sum of £1025, which sum was accordingly paid

Mr J. Leng Sturrock, M.P.

over to the Infirmary directors for the purpose specified. The house was acquired for residential purposes and has been successfully adapted for use by three tenants.

Sales of Work.

As a means of raising funds for church and philanthropic organisations the sale of work is as popular and successful as ever. In Arbroath and district during the year a notable effort was made to augment to the extent necessary to remove them from the list of smaller livings, the endowment of several quoad sacra parishes in the Presbytery. For this purpose sales of work were held in connection with Colliston Parish Church as a result of which £532 was realised; with Guthrie (£366). Friockheim £(406), and Ladyloan (£410). Other sales included St Margaret's (house sale), £20; Princes St. Bring and Buy Sale, £25; Rechabites Jubilee, £61; Ladyloan U.F. Church, £128; Inverbrothock U.F. Church, £74; Erskine U.F. Church, £141; Parish Church Women's Guild, £185; Abbey Church Women's Guild, £135; Congregational Church, £33; East U.F. Church, £60; S. £74; Parish Church Girls' Guildries, £37; Princes Street Women's Guild (bring and buy sale), £34; Inverbrothock Parish Church "Parlour Shop," £52; Knox United Free Church (cake and candy), £26; St Margaret's (cake and candy), £22; S. Matters Musical.

Musically Arbroath continues to hold its own as a community both appreciative and productive. Especially noteworthy have been the many clever junior entertainments, which usually for charitable purposes have delighted large audiences. The Arbroath Choral Union made a big impression at their concert in February when they rendered "The Revenge," with the assistance of these great operatic stars, Madame Nicholls and Mr Robert Radford as soloists. Another notable concert was given in March in aid of the Soup Kitchen by a party from the Dundee Gilbert & Sullivan Club, and a successful Sunday concert in the Palace secured over £20 for the Soup Kitchen Fund. St Thomas Lodge I.O.G.T. also gave a concert in aid of this fund. Another successful concert which realised £50 for the Poppy Day Fund, was given in the Webster Hall on Armistice Day. The town Instrumental Band has experienced a year of progress and

of creditable participation in big contesting events. The open-air season opened in April and during the late spring and throughout the summer highly appreciated concerts were given on Trothock Bield and at the Links and Victoria Parks. In May the band provided the programme at a Sunday concert in the Caird Hall, Dundee, when they made a most favourable impression. They took part in contests at Leven and Markinch and in the Scottish Band Championship at Edinburgh in October. At the last-named they secured second place with a brilliant rendering of the test piece, and one of their number, Mr J. McEwan, won the championship medal for cornet playing. The poor weather conditions during the summer had an adverse effect upon the Band's financial position, but at the annual meeting in December, the secretary was able to give a very satisfactory report on the year's working. The four days' performance of "The Mikado" by the Amateur Operatic Society in the Webster Hall in December was one of the outstanding events of the year.

Musical entertainments by juniors were both numerous and excellent. They included the performance of the operettas, "Lucy Locket" and "The Midshipmite" by St Margaret's Church children; of "Princess Chrysanthemum" by Inverbrothock Parish Church Sunday School; of "Rip Van Winkle," by Junior Musical Society, conducted by Mr A. Hamilton; concerts by young folks of Inverbrothock U.F. Church and Knox's U.F. Children's Guild; Baptist Church children in "Mayflower

Memories"; concert by 2nd Brownie pack for their funds; a children's variety entertainment arranged by Mr G. B. Lowe, jun., for Infirmary funds; the performance of "Topsy Turvy Christmas" by St Margaret's children in Christmas week. Another entertainment which created especial interest as being an original piece was the performance of the comedy, "Was Love to Blame" by members of St Margaret's Church. Lectures that were worthy of note were given under the auspices of the Y.M.C.A. and included one by Lady Parrott, Edinburgh, on "Women of Dickens," and by Mr Joseph Laing Waugh on "Scots Characters."

The Year's Obituary.

The obituary for the past twelve months bears striking testimony to the toll taken year by year by the reaper whose name is death. Amongst the citizens of the town who took a more or less prominent share in its activities may be mentioned Mr A. S. Wallace, M.R.C.V.S., who, for many years not only occupied the position of veterinary inspector of dairies, slaughter-houses, etc., in the Burgh, but carried on an extensive practice in the town and district. Colonel Ouchterlony of the Guynd was another well-known figure in town and county whom death claimed during the year. His death took place at the age of 82. Mr George Reid, retired banker, was another well-known citizen of Arbroath, whose death occurred after a very short illness. Mr Reid was a keenly interested educationist and was for many years chairman of the old

Councillor E. Spink.

School Board. The death of Dr John D. Duncan removes another well-known figure from the town in which he carried on an extensive practice. He also occupied the position of medical officer of the Public Health Hospital and Medical Officer for the western portion of the burgh under the Parish Council. The death of the doctor's aged father, ex-Bailie John Duncan, took place only a few weeks after that of his son. The ex-Bailie was a member for many years of both Town and Parish Councils. In the first-named Board he acted as hon. treasurer, and in the latter he was for over 30 years chairman. By the death of the Rev. James Howat, the congregation of High Street U.F. Church lost their senior pastor only a few months after they had been able to congratulate him upon the attainment of his jubilee as an ordained minister. Other Arbroathians who have passed away include Mrs J. Strachan or Millar (70), and Miss A. G. Strachan (73), sisters, within a few days of each other; Mrs Morris, widow of Rev. A. Morris, Colliston; James Warden; Miss Stephen, formerly proprietor of private academy; James Hall (82); A. S. Mathewson, master painter; Mrs Robert Corsar; David Wannau (85); Mrs R. L. Ross (76); Peter Herron, retired blacksmith (78); Quentin Chalmers, gardener; James Stevenson, grocer (70); Charles Donald, retired farmer (91); Mrs Mary Macpherson Grant, mother of Mrs Fitzroy Fletcher of Letham Grange; Mrs Shanks of Viewfield; John Porter, Elliot (81); W. D. Boath (41), butcher; T. Smith (72), fisherman, lost by capsizing of his

boat; Mrs Sanderson (97); D. F. Hunter, a well-known organist and musician, who met his death under tragic circumstances; Mrs Ruthersford Lindsay Carnegie of Kinblethmont; Miss Davidson, F.E.I.S.; David Thomson (81), retired tailor.

Prominent Arbroath's Deceased.

In the big world beyond the confines of their native town the names of not a few who found their life work in other centres but who have now passed hence, fall to be noted. Amongst these one recalls the name of Lady Lindsay (nee Miss Charlotte Douglas), wife of the Town Clerk of Glasgow, and a lady known and loved throughout the great city for her many deeds of kindness and for her active interest in social welfare. As the daughter of the late David Douglas, auctioneer, Lady Lindsay had many friends in Arbroath and she and her husband and family were frequent visitors to the town. A famous native of the near neighbourhood of Arbroath passed away in London in the person of Sir John Kirk, whose family belonged to Arbirlot, and whose work as an African pioneer earned him a world-wide reputation. Mr Wm. Black, Glasgow, who died at the age of 60 was another well-known Arbroathian who found a home in the west; and other names that occur to one in looking back over the year are James Roy (84), Durban, South Africa; Mrs Elizabeth Ward (58) Passaic, N.Y.; Mr James Millar (49), South Africa; Mr Wm. Carrie (54), Kataning, Australia; James S. Neish (92), retired journalist, Dundee; John Mill (46), solicitor, Calander; Wm. Shaw (77), retired soli-

citor. Maxwelltown; David Adair, S.S.C., of Messrs Adair & Galloway, solicitors; John Williamson (86), Greenlaw, Berwickshire; Alex. Thomson Cargill (79), Edinburgh; Miss Isobel Dickson, O.B.E., M.A., assistant Secretary to the Board of Education, daughter of the late Col. Dickson of Panbride; James Park (22), and Charles Mitchell (34), both in India; William Ruxton (82), Illinois; Alex. Johnstone (47), Glasgow; ex-Police-Sergeant Wm. Masson (77), Broughty Ferry; William Gauldie (77), Carnoustie, formerly schoolmaster at Kinnell; Mrs Elizabeth Hutchison (79), Grahamstown, South Africa; Alex. Chisholm, Montrose; Lady Barrie, Dundee; Mr P. Charles Carragher, Aberdeen; a well-known author and playwright.

Revival of Spiritual Interest.

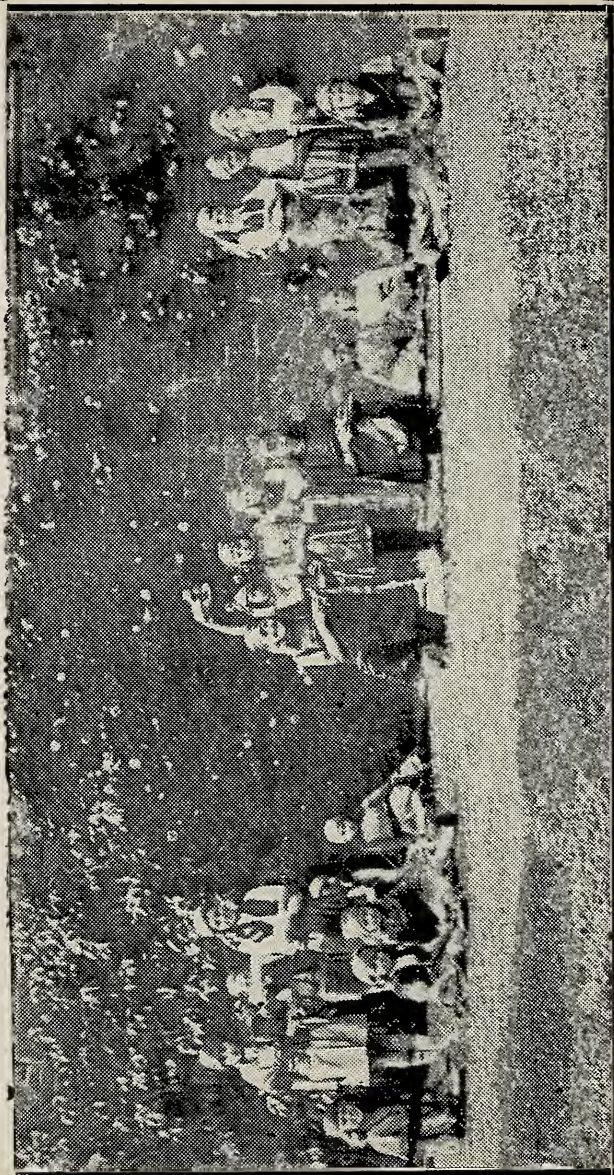

The religious life of the town was marked during the year by more than one period of revival. In January the U.F. Presbytery discussed the unmistakable signs of a revival of spiritual interest in Scotland, and the suggestion was put forward that efforts should be made whereby Arbroath might participate in the movement. A series of meetings under the auspices of the Coast Mission and Baptist Church was held early in the year, at which one of the speakers was Dav. Cordiner, the north-country fisherman associated with Jock Troup in the wonderful revival amongst the fishing community in the north of Scotland. In April a united evangelistic mission was inaugurated in connection with practically all the churches in town, when a very remarkable impression was made by the Rev. W. Allan of New York, formerly a mini-

ster in Arbroath, and who was accompanied by his organist, Mr A. B. Hunt, a highly gifted musician and lecturer in New York. The meetings which these two gentlemen conducted for five weeks were productive of a real deepening and extension of spiritual life in the community. From Arbroath Messrs Allan and Hunt proceeded to Glasgow, and so deeply impressed were all associated with them in their work that at the urgent desire of many friends the two evangelists returned to Scotland in September, where they again opened their campaign in Arbroath with a month's very helpful and inspiring series of meetings.

The effect of the campaign has shown itself in renewed interest in various branches of Christian work, notably in that carried on by the Town Mission under Mr James Moffat and his many willing helpers, and in the Coast Mission under Mr Neave, as well as in other organisations for philanthropic service in the community the fruits of which may be gathered for many years to come.

Church Life and Work.

There have been few events that fall to be recorded in the church life of the town during the year. In January the expiration of the term for which Rev. J. R. Wark was elected to the charge of Knox U.F. Church called for a review of the position in which the church stood, the result of which was an amicable arrangement arrived at between the congregation and the presbytery whereby Mr Wark will carry on his much appreciated labours in that church.

Outdoor Scene at Kinblethmont Garden Fete.

As can be seen from the list of sales of work held in the town and district, the Established Presbytery, with the cordial assistance of the ministers of the various parishes and their congregations, have succeeded in carrying out the task they set themselves of wiping off the smaller livings within the bounds of the Presbytery, by raising sufficient funds to bring the endowment up to the minimum approved by the Assembly. The renovation of the Parish Church organ; the repainting and redecoration of Queen St. Congregational Church, and the installation of a heating system in Princes Street U.F. Church, represent much loyal service by, especially, the women of these congregations, to raise the funds for carrying through these improvements.

The Y.M.C.A. has had a year of usefulness in their enlarged premises, and, with Miss Moffat in charge of the work of the Y.W.C.A., a promising session was opened in September. Girls' Guildry organisations in connection with several churches, and Boys' Brigade in affiliation with the Y.M.C.A. have also done excellent work amongst the young.

Boy Scouts and Girl Guides continue to grow in numbers, and to sustain the interest of boys and girls at a period in their lives when such training as is offered through these organisations, is of the greatest value.

Weddings.

Amongst weddings of more than ordinary public interest there may be mentioned those of Mr Charles D. Wilson, manufacturer, to Miss

Kathleen Alison Fairweather, younger daughter of the late D. W. Fairweather, manufacturer, and of Mrs Fairweather, Craigard; of Mr J. C. Kinloch, banker, India, son of the late R. C. Kinloch, agent for the Bank of Scotland in Arbroath, and of Mrs Kinloch, Seaton Road, with Miss Edith Grant, youngest daughter of ex-Provost and Mrs Grant of Woodside, which took place in February. Mention may also be made of the marriage of Dr James R. C. Greenlees, D.S.O., M.B., B.C., Glasgow, with Miss Allison Hope Cargill, daughter of a well-known Arbroathian; Mr E. W. R. Myles, tailor and clothier, and Miss Winifred Jaffrey, Peterhead; Mr Philip H. Cutler South Croydon, to Miss Elizabeth P. Hood, daughter of Mr and Mrs Hood, Craigton, Elliot Street; Mr Wm. Ireland Macdonald to Miss Margaret Hume, Carmyllie; Mr Lindsay G. Brown, son of a well-known London Arbroathian, to Miss Norah Wallace, Golders Green; Mr Herbert Burnett Winter, Maryton, to Miss Mary Reid, daughter of the late Alex. Reid, builder.

Diamond and golden wedding celebrations were more numerous than usual. Diamond anniversaries were celebrated by Mr and Mrs Wm. Fox, 37 Fergus Street; and Mr and Mrs Edward Orrock, now of Kingsmuir. Golden weddings included those of Mr and Mrs Bogue, 30 St Mary Street; Mr and Mrs Scott, 62 St Vigeans Road; Mr and Mrs John Blair, Gowanlea, Carnegie Street; Mr and Mrs Peter D. Simpson (now resident in Dundee); Mr and Mrs A. P. Lowson, Keptie Angle.

heroes in almost every nursery should the same time be responsible for modern problem of the child that grown up too quickly. As all true lovers of childhood realise, one of the most pathetic objects in life is the over-stimulated little boy or girl. Sir Maurice Craig, physician for Psychological Medicine, Guy's Hospital, denounces tendency of parents to over-stimulate their children in the desire to give them pleasure as one of the dangers of the age. "The nervous child is often highly intelligent, and quickly absorbs knowledge," Sir Maurice points out. "For this reason, it is wise to prevent it from learning to read at too early an age, for soon as it can read to itself it may be tempted to keep it from books. Early brainwork tends to premature failure."

OVER-STIMULATION.

These clever, nervous children, continues this authority, require much supervision. When school days begin the brilliant child is stimulated by a fresh ambition to outstrip its school fellows in knowledge. Entrance scholarships at public schools are, in his opinion, fraught with no small danger to the winners, for the scholar has to live up to his reputation.

FORMATION OF NEW SWIMMING PERFORMANCE

CLUB.—Application was made by George Brougham, 51 Sidney Street, secretary *pro tem.* to the Town Council on Monday, on behalf of the Arbroath Swimming Club, for the use of the Public Baths for one hour per week, and for the use of the wet dock on the same conditions as last year. It was stated that the club had secured the services of Mr David McIntosh as instructor for long distance swimming, and as the club was a newly formed club to try and create more interest and rivalry in swimming competitions an appeal was made to the Council to give it every assistance until it was in a more prosperous and sounder financial position. The Town Council agreed to grant permission to use the wet dock, and referred the application far as it related to the Public Baths to the Baths Committee.

AWARDED HIGHEST DIPLOMA GLASGOW EXHIBITION.

THE
D. & A. Preserve Company
LIMITED

WERE AWARDED

Highest Diploma for their Exhibit of High-class
Jams, Jellies, Marmalade and Peel

AT THE 1922

*Bakers, Grocers and Allied Trades
Exhibition in Glasgow.*

This is only another Testimony to the unbroken record for Purity and Excellence which these Preserves have so honourably held for Half a Century.

Forty years ago Mr W. E. Gladstone wrote in reference to our "Queen's Table" Strawberry Jam: — "Tasted all round, and with one accord pronounced excellent."

A Commander of H.M. Navy, in ordering a further consignment, wrote:—"I have never tasted finer Jam in any part of the world."

A well-known Glasgow Provision Merchant, before taking up the Agency, obtained expert advice. The Report was:—"Equal to the finest Preserves the most careful housewife could produce."

Procure a Sample of our "Queen's Table" Preserves and you will unhesitatingly confirm the high testimony quoted above.
